

# EPIC MUSEUM EVENTS OUR SPACE, YOUR VISION

Step inside a world that celebrates the global impact of the Irish, where culture, heritage, technology and hospitality come together to create a one-of-a-kind experience.

**EPIC** The Irish  
Emigration  
Museum

# WHY CHOOSE EPIC?

EPIC offers a unique event setting that blends immersive experiences with advanced technology. With bespoke catering, powerful branding opportunities and a strong focus on sustainability, we create events that stand out for all the right reasons.

## EVENT TYPES

- Launch Events
- Breakfast Briefings
- Client Appreciation Night
- Cocktail Receptions
- Presentations

## TIMING

Private hire for events available after hours from 7pm and pre-museum opening from 7am – 9:30am, subject to availability.

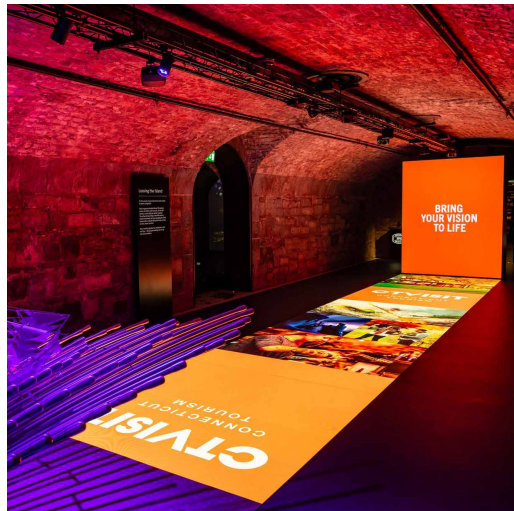

Some of our happy clients:

## Our Spaces & Technology

Our immersive event spaces combine cutting-edge technology with flexible, adaptable formats to suit a range of event styles. From our fully immersive Celebrations Gallery with 24 screens for a complete brand takeover, to our

Storytelling space with customisable backdrops, a private pub setting, and our Design Gallery featuring a 4-screen takeover opportunity, amongst the great designers and artists of the Irish diaspora.

## Tech Takeover

- Fully customisable visuals, themes and content
- Seamless brand integration across all spaces
- Interactive and multi-sensory experiences
- Real-time content and messaging updates
- Livestream capabilities

## Sound & Connectivity

- Integrated sound across all spaces
- Bluetooth streaming capability
- Customisable playlists to suit your event

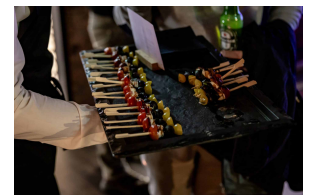

## Event Services

Genealogy Activations

Live Entertainment

Bespoke Catering

## Sustainability

### Community First

Supporting local suppliers with fresh, locally sourced ingredients

### Green Initiatives

Recycling, composting, energy-efficient lighting & natural planting

### Tech for Good

Paperless events through fully digital technology

### Waste Reduction

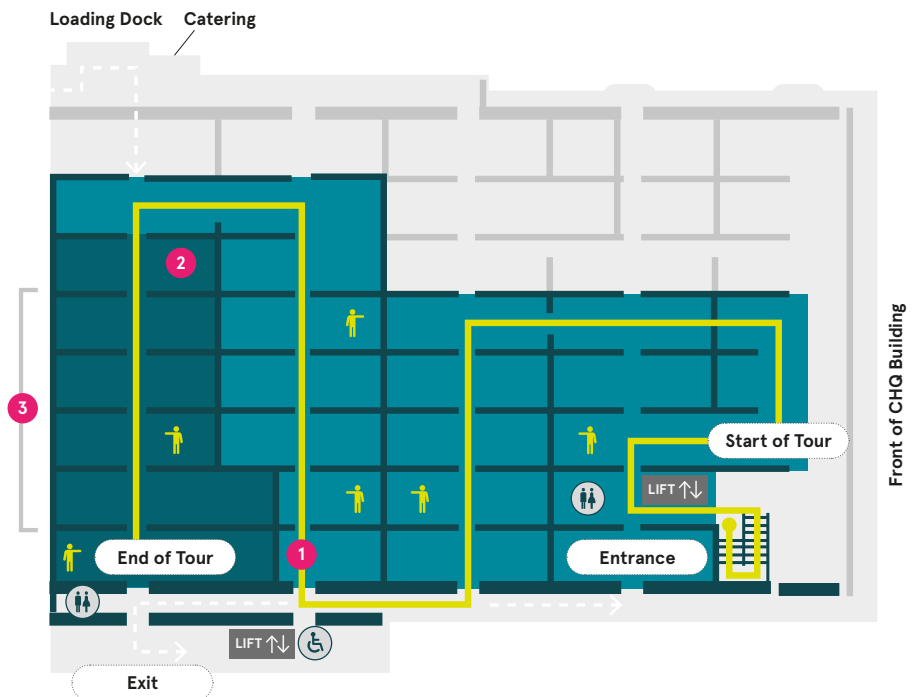

No single-use plastics & minimal food waste practices
